

Libertarian Party of Volusia County Platform 2017

The Libertarian Party of Volusia County rejects the initiation of force to achieve social or political goals.

Statement of rights: We support equal protection before the law for any and all persons.

- I. County Government
 - A. We support the reduction of all county taxes and oppose any additional taxation.
 - B. We support the reduction and consolidation of all county departments that result in a more fiscally-responsible county budget.
 - C. We oppose the creation of special taxing districts, agencies, advisory boards, et cetera, that would result in additional taxation.
 - D. We oppose the enforcement of state and federal laws for victimless crimes.
- II. County School Board
 - A. We support any measures that grant parents and families control and responsibility of their children's education.
- III. City Governments
 - A. We support the reduction of any and all City taxes.
 - B. We support initiatives at the local level to empower the individual.
- IV. Transparency
 - A. We support transparency for an open government at all times.
 - B. We support public accountability for any and all tax dollars used and that all monies shall be appropriated by the county council and elected local government officials.
- V. Private Lands
 - A. We support the reduction of publicly owned land as privately owned land can more efficiently meet conservation goals. We oppose land acquisition programs such as Volusia Forever and Volusia ECHO.
 - B. We support any reductions in zoning restrictions placed on private land.
 - C. We oppose any zoning change without the consent of the property owner.
